Polaris 1200

The versatile Polaris range takes the look, feel and design of natural timber floors and adds a few extra touches. It is durable, easy to maintain and water resistant[^]. The exquisite colour range provides endless options for a variety of interiors, including Australian species designs for a traditional look without the maintenance. Available in two sizes, Polaris 1200 is a shorter plank. All colours in this range are also available in the longer and thicker Polaris 1500 range.

Direct stick vinyl plank for a professional looking installation
